**ALLEY**

Greetings all you old cats and new kittens.

This is your first check-point of the new year, we really have some awfully good paw prints to follow, but we will try to bring you the latest hot line from VMSC.

FLASH: The Ladies Rally, due to the cold weather in February, will be put off till more desirable conditions prevail. This gives the male members more time to practice, so come on gals lets really fix a GOOD RALLY.

Heard by way of the grape-vine that a new red Spit-fire has taken place of a certain VW, and that there is a new navigator sporting a diamond. But, that isn't all, a white Mustang also has a diamond in the co-pilots seat. What ever happened to the MINI?

All you birds that went south (Nassau), for a short winter, get your slides, snapshots etc. ready its in the air that there will be a session February 13th to show these to the other VMSC'ers and tour members. Further information will be received in the mail at a later date.

Are you missing a first, second or third place trophies? It seems in 1962 someone forgot to pick theirs up. Lets start the New Year off right, and come to all the meetings so we can pick up such awards. The meetings also give you points which add up to a tidy sum at the annual year end banquet. Point standing results later in this issue.

Credit really has to go to Jim Spivey who did an outstanding job on the trophies for the year of '64.

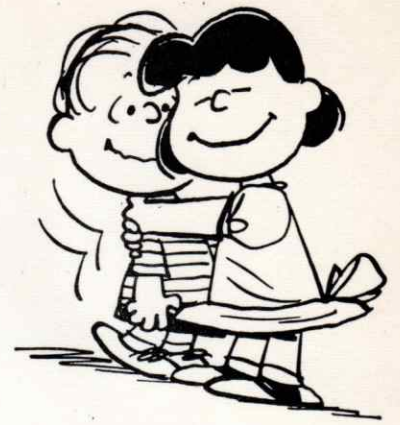

Did some one really have number 60?

The Hawthorne VW Trophy was won by Crash Dixon.

The McGeorge TR Trophy was won by our noble president of the coming year.

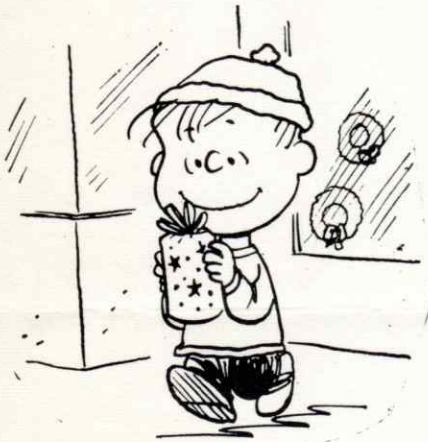

But what really puzzles us is what did Edith give Leo for getting sick?

And last but far from least was the over all trophy won by quiet Bill.
